

Evaluation Criteria for the Grade of each Post

In case of containing one or more of the following point, the post is REJECTED immediately:

- The post contains or makes use the topics of crimes, any type of discrimination, and mental illnesses.
- The post is used to attack or make fun of other people (directly or indirectly)

In case the post wasn't rejected previously, the initial 'score' starts at 0 points and it gets added the amount indicated in case of compliance for each metric.

- It is mentioned any of the following personal information: phone numbers, addresses, full names of third parties or any type of banking information. **[3 points]**
- The post content should be communicated from the person's point of view or central element of the story. The post must avoid telling someone else's story. **[1 point]**
- The post contains cursing of any kind. **[2 points]**
- How positive would you consider the story to be? where **0** means it is completely positive and **3** completely negative. **[0 - 3 points]**
- ❖ In case the post's score gets 4 or more points, it will get rejected

Status of the Post [ACCEPTED / REJECTED]:_____
